

shell lubricants warranty program

Often times, clients aren't looking for custom built software but still want our help. This is why The Kerry Group specializes in digital solutions that can be fully customized. Our warranty program is a good example. Key Shell Lubricant accounts can customize and brand their own warranty sites as an added value for their customers.

- Popular for good reason
 - Multi lingual site and support center
 - 24 hr. call center handles participants' phone inquiries
 - Over 29,000 consumer registrations in 2012
 - Completely turnkey, from registration to claim review and payout.
